### THE ALLERGY AND ASTHMA EPIDEMIC CAN WE PREVENT OR CURE IT?

**Allergy and Asthma are diseases that will affect more than 1 in 3 Canadians over their lifetime. Is there an epidemic? What are the facts?**

On May 31, 2010 a panel of AllerGen NCE experts from leading Canadian research institutions will share their views on the causes of, and cures for, Allergy and Asthma.

**May 31, 2010 - 6:30 p.m. to 8:30 p.m. (Doors open at 6:00 p.m.)**

**Royal Botanical Gardens, Café Annex** 680 Plains Road West, Burlington, ON

**Please join us for a lively discussion of the latest research evidence on this important subject.**

**Moderator**

**Judah A. Denburg, MD, FRCP(C)**  
Scientific Director and CEO  
AllerGen NCE  
Williams J. Walsh Professor of Medicine  
Director, Immunology & Allergy  
Michael G. DeGroot School of Medicine  
McMaster University

**Expert**

**Ann Clarke, MD**  
Professor  
Divisions of Clinical  
Immunology/Allergy  
McGill University

**Expert**
